European Cultural Law and Regulation

TIME FRAME

60 minutes

FACILITATION LEVEL

Intermediate

Intellectual Property is crucial for artists, safeguarding their creations. With this WebQuest you will learn more about EU Directives, including Copyright Law, that serve as key sources in this domain

**Co-funded by
the European Union**

Funded by the European Union. The views and opinions expressed are those of the author(s) and do not necessarily reflect those of the European Union or of the Agence du Service Civique / Agence Erasmus + France Jeunesse & Sport . Neither the European Union nor the granting authority can be held responsible for this.

Introduction

While Arts and Culture Law, covers a vast range of legal matters, such as contract law, torts law, cultural property law etc., there is a subject quite essential for artists or people in the cultural sector that protects their creations. This is the subject of Intellectual Property that has a pivotal role for artists. EU has Directives, comprising of Copyright Law sources.

Learning objectives

By completing this quest, you will be able to:

- Understand the basics of EU Intellectual Property Law.
- Recognize the differences between copyright, patent and trademark.
- Assess your needs in terms of intellectual property rights as an artist.
- Decide on the steps you will take to protect your creation.

**Co-funded by
the European Union**

Funded by the European Union. The views and opinions expressed are those of the author(s) and do not necessarily reflect those of the European Union or of the Agence du Service Civique / Agence Erasmus + France Jeunesse & Sport . Neither the European Union nor the granting authority can be held responsible for this.

Task

You are an artist who has just created a piece of art (visual artist, music composer, author, photographer etc.). You live in a European country but you will disseminate your art work in social media and you would like to have the rights for the art work.

Process

In the resources section you can find every resource that you have to use to complete your task. There will be detailed instructions on what you need to know and how you can use them.

1. Firstly, go through the document “Your Guide to IP in Europe”, to understand the different aspects of IP. Also, watch the video “IP and Youth: Innovating for a Better Future”, to get a grasp of how the youth understands IP.”
2. Then, study the different types of intellectual property rights, by reading the “The Types of intellectual property rights”, in order to know which category your creation falls into.
3. Dive into the details of protecting a specific type of creation, after choosing from the types.
4. Watch the video “European IP Helpdesk - IP on Social Media” and read the case study the European IP Helpdesk case study: IP sounds good to me.
5. Finally, study the infringement of IP rights and find out which of the procedures can or cannot apply to your case.

**Co-funded by
the European Union**

Funded by the European Union.
